

General Treatment Specialties

Orthopaedics, Burns, Spinal Cord Injury and Plastic Surgery

Orthopaedics

- Cerebral Palsy
- Clubfoot and congenital deformities of the foot
- Developmental musculoskeletal deformities
- Foot deformities
- Gait abnormalities
- General pediatric orthopaedics
- Hand and upper limb disorders
- Hip disorders – congenital and developmental
- Juvenile Rheumatoid Arthritis – 1/05: Not available in No. CA
- Limb length discrepancies
- Limb deficiencies, amputees
- Metabolic bone disease
- Musculoskeletal injuries and diseases, sub acute and chronic
- Myelodysplasia (Spina Bifida, Myelomeningocele)
- Neuromuscular disorders
- Orthotics
- Osteogenesis Imperfecta
- Poliomyelitis, orthopaedic residuals
- Prosthesis
- Scoliosis, kyphosis, spinal deformity
- Skeletal dysplasias
- Skeletal growth abnormalities and deformities

Burns

- Toxic Epidermal Neurolysis/Steven's Johnson Syndrome
- Purpura Fulminans
- Necrotizing Fasciitis
- Congenital Giant Hairy Nevus
- Microfia

Spinal Cord Injury

- Rehabilitation

Specialized Plastic Surgery

- Burn Scars
- Scars from any cause
- Birthmarks
- Congenital Ear Deformities

Diagnostic Descriptions

Acute Burns

- Toxic Epidermal Neurolysis/Steven's Johnson Syndrome
- Purpura Fulminans
- Necrotizing Fasciitis
- Congenital Giant Hairy Nevus
- Large Wounds

Amniotic Band Syndrome

- Upper and lower extremity

Arthrogryposis

Bone Displasia

- Exostosis
- Aneurismyl bone cyst
- Osteoid Osteoma
- Unicameral bone cyst

Blount's Disease

Brown Sequard Syndrome

Brachial Plexus Palsy

Burn Scar

- Upper and lower extremities
- Head/face/neck
- Breast/chest
- Back/Abdomen

Congenital Dislocated Hip

- Acetabular dysplasia
- Subluxation of hips

Cerebral Palsy

- Spastic
- Ataxic
- Athetoid

Developmental Problems

- Femoral Anteversion (only if treatment deemed necessary)
- Femoral Retroversion (only if treatment deemed necessary)
- Genu Valgum
- Genu Varum
- Tibial Torsion (only if treatment deemed necessary)

Discitis

Dwarfism

- Achondroplasia
- Diastrophic
- Metaphyseal Chondroplasia
- Morquios
- Pseudoachondroplasia
- Spondyloepiphyseal Dysplasia

Foot deformities

- Pes Planus
- Lobster Claw
- Vertical Talus
- Cavus Deformity
- Hallux Valgus (bunions)
- Metatarsus Adductus

Fracture, S/P Fracture

Hand Deformities

- Adactyly
- Lobster Claw

- Polydactyly
- Radial Club Hand
- Supernumerary Digits (s)
- Synadactyly
- Due to trauma

Head Trauma (orthopaedic manifestations only)

- Hemiplegia
- Triplegia

Hemihypertrophy

Herniated Disc

Infection of Joint

Juvenile Rheumatoid Arthritis – 1/05: Not available in No. CA

Kyphosis

- Congenital
- Idiopathic

Kyphosis (Potts Disease)

Lower Limb Deficiencies

- Post Operative Amputation
- Absent Fibula
- Absent Tibia
- Congenital Pseudarthrosis Tibia
- Proximal Femoral Focal Deficiency
- Due to trauma

Lower Limb Inequality

Neuromuscular Disorders

- Charcot Marie Tooth
- Congenital Hypotonia
- Frederick's Ataxia
- Kugelberg Weidlander
- Muscular Dystrophy (some types)
- Werdnig – Hoffman Osteogenesis Imperfecta

Osteomyelitis

Osteochondrosis Proximal Epiphysis, Legg Porthes

Osteochondrosis

- Osgood – Schlatter
- Scheuermann's

Plastic Surgery (Non-burn related)

- Scars from any cause
- Birthmarks
- “Cauliflower” Ear
- Congenital Ear Abnormalities

Polio Residuals

Spina Bifida to include:

- Myelomeningocele
- Myelodysplasia
- Lipomeningocele

Slipped Capital Femoral Epiphysis

Scoliosis

- Congenital
- Idiopathic
- Juvenile
- Paralytic

Spondylolisthesis

Soft Tissue – Tumors/Cysts/Hemangiomas (non-cancerous)

Syndromes

- Apert
- Charge
- Cleidocranial Dystosis
- Down's
- Ehlers-Danlos

- Fetal Alcohol
- Freeman-Sheldon “Whistling Face”
- Holt-Oram
- Klippel-Feil
- Klippel-Trenaunay-Weber
- Larsen’s
- Marfan’s
- Mobius’
- Nail-Patella
- Neurofibromatosis
- Noonan’s
- Pierra Robin
- Poland’s
- Rubella
- Sticker’s
- TAR
- Trisomy
- Vater
